All Persons using District buildings or facilities shall comply with the provisions of this Ordinance and with the provisions and conditions of the Permit and/or license agreement and with all other applicable policies, rules, and regulations of the District regarding the use of District Property.

CHAPTER V - PERMITS AND OTHER AUTHORITY

Section 5.01 Permits

(a) Permits may be granted upon proper application and approval where the applicable section of this Ordinance or any other District ordinance, policy, rule, or regulation provides for the issuing of a Permit in order to engage in a particular activity. The District's primary objective in requiring Permits for certain activities to be conducted on District Property is to coordinate multiple uses of limited space; to assure preservation of District Property for the use to which it is lawfully dedicated; to prevent dangerous, unlawful or impermissible uses; to protect the public impermissible uses; to protect the public health and safety; and to assure financial accountability for damages caused by an activity.

(b) Every Person requesting a Permit shall complete and file a written application with the Director, on forms provided by the District, and pay applicable application fees at the District's administrative offices located at 3301 Flossmoor Road, Flossmoor, Illinois. When received, the application shall be dated and a receipt issued to the applicant.

(c) Unless otherwise provided in another section of this Ordinance or other District ordinance, rule or regulation, applications for Permits not involving the exercise of First Amendment Rights must be received by the District at least fourteen (14) but not more than ninety (90) calendar days prior to the conduct of the activity for which the Permit is sought. Applications for Permits involving the exercise of First Amendment Rights must be received by the District at least three (3) working days but not more than ninety (90) calendar days prior to the conduct of the activity for which the Permit is sought. The three-day advance application requirement may be waived by the District where the efficacy of the First Amendment expression may be adversely affected by delay due to the nature and currency of the event or events giving rise to the desire for such expression. For purposes of this Section, the term "exercise of First Amendment rights" shall include, but not be limited to parades, marches, demonstrations, rallies, religious services, speeches, solicitation of votes, petition signatures or contributions, picketing or leafleting.

(d) Except for Permits involving a commercial activity or for the sale or delivery of alcoholic beverages, the District shall issue the Permit without reasonable delay unless:

- (1) The proposed activity violates any federal, state, local, or District law, rule, or regulation; or
- (2) A prior application for a Permit for the same date, time, and location has been or will be granted, or a District activity or the activity which is the subject of the prior application does not reasonably allow multiple occupancy of that particular area; or
- (3) The proposed activity is of such a nature that it cannot reasonably be accommodated in the particular location applied for, considering, without limitation, the likelihood of such things as damage to park resources or facilities, damage to an environmentally sensitive or protected area's ecosystem, impairment of a protected area's atmosphere of peace and tranquility, potential for adverse impact on the health or safety of Persons, unreasonable interference with District functions, buildings, facilities, operations, programs or activities, unavailability of District staff to oversee, or unreasonable interference with the use or purpose of the District Property applied for; or
- (4) The proposed activity would substantially impair the operation or use of facilities or services of District concessionaires or contractors; or
- (5) The proposed activity would so dominate the use of District Property as to preclude other Persons from using and enjoying the park; or
- (6) The proposed activity is prohibited by, or inconsistent with, the classifications or permitted uses of the park or Facility, or part thereof, as provided in this Ordinance or other District ordinance, rule or regulation; or
- (7) The same applicant violated the terms of a previously issued Permit; or
- (8) The proposed activity would clearly present a public health or safety concern that cannot be eliminated by the application of Permit terms agreed to by the applicant.

(e) If the application is approved, the District shall issue a Permit to the applicant. If the application is denied, the District shall issue to the applicant reasons for denying the application.

(f) If an application is denied on the basis of a scheduling conflict or inappropriateness of the location, duration, or time of the activity, the District will make a reasonable effort to arrange an alternative that is

acceptable to all parties if requested by the applicant. If an application under a section providing for the exercise of First Amendment rights is denied, or the applicant is dissatisfied with such Permit as issued, they may appeal the decision to the Board within thirty (30) days after the decision is rendered. If the Board rejects the appeal after full review, or if time for full review is not available, the applicant may appeal the decision to the appropriate state or federal court. All other decisions on the issuance of Permits by the District are final.

(g) Any Permit granted by the District may contain lawful prerequisites to the issuing of the Permit and restrictions on the conduct of the permitted activity including without limitation: general liability insurance coverage; an agreement to fully indemnify and hold the District harmless from any liability or costs resulting from the activity; a requirement that the Persons involved in the activity obey or comply with all federal, state, local, and District laws, rules, and regulations; time, duration, and location restrictions; restoration deposit; a written agreement by the applicant to fully restore any District Property soiled or damaged by the activity; and, any reasonable restriction necessary for the efficient and orderly contemporaneous administration of the activity, other activities with a Permit, and regular District uses, functions, programs, and activities.

(h) Any Person holding a valid Permit issued by the District for use of District Property shall take precedence for use of that District Property over any Person other than the District.

(i) The District may make necessary changes or place necessary additional restrictions on any Permit after it has been issued.

(j) Violation of the terms and conditions associated with the Permit may result in the suspension or revocation of the Permit.

(k) Unless specifically provided elsewhere in this Ordinance or any agreement, resolution or ordinance approved by the Board, no Permit shall be issued for a period in excess of seven (7) consecutive days. A Permit may be extended for like periods of time upon a new application, unless another Person has requested or the District has a prior scheduled use of the same location during such time(s) and multiple use of that location is not reasonably possible.

Section 5.02 Insurance and Hold Harmless Agreement

(a) Except as provided in this subsection, every applicant for a Permit shall acquire general liability insurance to protect himself and the District from liability resulting from his use of District Property and provide proof of such insurance to the District before the District will issue a Permit to an otherwise valid applicant. The District must be named on such policy as "additional insured". Where possible, an applicant may acquire a rider to the District's insurance policy at the applicant's cost and expense. Applicants should contact the District's administrative office for more information.

- (1) For activities involving the exercise of First Amendment rights, including without limitation parades, public gatherings, speeches and rallies, this requirement may be waived by the District if the applicant can demonstrate that their organization cannot procure general liability insurance or that the cost of procuring such insurance or acquiring a rider to the District's insurance policy is prohibitive.
- (2) For small, low-risk, activities or events requiring permits, but not including any equipment or other hazardous materials, this requirement may be waived by the District if the applicant can demonstrate that they cannot procure general liability insurance or that the cost of procuring

such insurance or acquiring a rider to the District's insurance policy is prohibitive.

(b) Every applicant must execute and deliver to the Park District an agreement to indemnify and hold the District harmless from legal liability, property damage or injury to persons caused by the negligent or unlawful acts of the applicant or any member, volunteer, employee, agent, participant, or other Person associated with the applicant or his group or organization.

Section 5.03 Restoration Deposit

(a) A restoration deposit may be required for any Permit. The District shall refund the deposit if the Person responsible for the activity cleans any refuse caused or left by the activity or the activity's participants and restores District Property to the condition it was in prior to the activity to the District's satisfaction. If the District is required to clean up or restore District Property after the activity, the Person responsible for the activity shall reimburse the District for all costs and expenses associated with the clean-up and restoration. The cost of the clean-up and restoration shall be taken from the restoration deposit. If there are any funds remaining after the clean-up and restoration costs have been subtracted, they shall be returned to the appropriate Person. If the costs and expenses for the clean-up and restoration exceed the amount of the restoration deposit, the District reserves the right to pursue any and all legal options.

(b) If the restoration deposit would create a financial hardship for the applicant which the applicant can so demonstrate, the District may accept a written agreement to clean up and restore District Property after the activity. If the applicant does not satisfactorily perform according to the agreement, the District reserves the right to pursue any and all legal options.

Section 5.04 Other Authority

Activities otherwise prohibited under this Ordinance, or any other District ordinance, policy, rule, or regulation may be conducted or engaged in by a Person, his agents and/or employees, if done in strict conformance with the provisions of an agreement with the District which has been duly authorized by the Board.
